CONNECTING, GROWING AND SERVING FOR GOD'S SAKE FOR OVER A HUNDRED YEARS

574 S. SHELDON ROAD, PLYMOUTH, MI 48170

## "Welcome Home"

You are welcome and  
wanted here today!

Good morning and "Welcome Home" to St. John's! We are glad you are here and hope you have a great worship experience with us today.

Being a diverse and inclusive community means not sacrificing the dignity of one for the other. Perhaps now more than ever we find ourselves living in a climate of division and polarization, in both secular and religious settings, and the need for places and ways to make sustainable connections is greater than ever. We desire to live into the dream of what it means to welcome all-not necessarily those who look or think or act like us, but all who yearn for a better and more just way of being in the world united in the belief that love is always the answer.

We are intentional about welcoming those who may have been hurt or turned away from church because of who they love, skin color, finances, addiction, disability or simply because they asked too many questions. We dream of a community in which the phrase "all are welcome" is not just a commitment but also a visible reality. We are committed to opening our doors as wide as possible because we pattern our lives after Jesus' teachings and his message of radical welcome and inclusive love.

Church for some, is as familiar as coming home; for others, church is as foreign as visiting a different country. Our response: We get it—and it's "all good."

We come from varied backgrounds and faith experiences; we are young and old, married and single, we have a growing number of children and youth of all ages and are committed to growing ministries and opportunities for everyone to find their place to belong. We love our tradition and rituals, but we love people even more and ask that you open your heart today and let God do something wonderful.

So, once again, Welcome Home!

*Priest Lisa*

### TODAY'S AUMBRY LIGHT DEDICATION

*In Memory of  
William & Nan Sigmon*

# ST. JOHN'S

THE EPISCOPAL CHURCH IN PLYMOUTH

A big thank you to every youth and adult who worked to make this day happen. On Youth Sunday we elevate our youngest and welcome them to take center stage. We honor all our young people for who they are right now, in this stage of their life. We parade them in front of us to soak it in. To love them, appreciate them, pray WITH them and listen TO them.

Today we also work to support the vulnerable in our community, and our young people have led the way. This year, the youth groups have been active in their ministry to Starfish Family Services, visiting the teen shelter offering meals and fellowship. On those occasions they met Grant, a young man whose life has been changed by Starfish. Grant's story illustrates how our support is directly helping young people during times of crisis. Starfish is proud to report that Grant has successfully transitioned out of the shelter into a place of his own. He stocked his new home with the items donated by St. John's members during the Christmas gift campaign. Thank you all for your generous support of this ministry.

I also want to thank all those who guide our young people throughout the year. Thank you for the time, love, and energy you devote to youth ministry. A special thank you to Laura Hoehner for directing our youth programs and their ministry partnership over the last 3 years. To all the young members who stepped forward to participate in today's service and help with the fundraiser, we applaud and appreciate you.

Wishing you peace, love and happiness,  
Jayne Watson  
Director of Family Ministry

# Relief. Protection. Sanctuary!

## That's what YOUR support provides to teens like Grant

*The staff at the Starfish Shelter always smile when mentioning Grant, "Very bright", "Self-aware", "He's a great kid, we love him!" "Sooo much potential!"*

**That's Grant**, a great kid with so much potential, but who had a rocky start.

Grant always received harsh punishment for normal childhood misadventures. He's not sure why, but from a young age he didn't feel a connection with his adoptive mom. Home was not a haven, instead it was filled with conflict. At 17, Grant attended a basketball game after school without permission. As punishment, his mom took all his clothes and personal belongings, and locked them in the basement. Washing his clothes out in the sink at night so he could wear them the next day soon became frustrating. After a week passed, he decided he would negotiate the end of his punishment, like he often did by bargaining with his mom. He took an old, unused mobile phone of hers and said he would return it to her, if she returned his clothes. She took the deal and returned one pair of clothes.

### A Surprise Trip to Jail

The next day Grant was shocked to be called into the school office and faced with police officers. His mom had him arrested for the "stolen" phone. He was charged with larceny, and she admitted she wanted to see him in jail. His father bailed him out but told him his mom decided he couldn't live there anymore. With nowhere to go, Grant bounced around on friends' couches for months.

#### Share Your Wisdom!

Do you have any advice for Grant?

Email us at [marketing@sfish.org](mailto:marketing@sfish.org) and we will be sure to pass it along.

"Starfish pushed me to do better and now I have big dreams, and I have the confidence to pursue them. They've helped me in every way possible and I'm grateful."

A school social worker suggested Grant contact Starfish, where he not only found a safe place and warm bed, but the resources to get his life on track. Starfish provided weekly individual therapy sessions for Grant, along with group therapy sessions and life skills training. Starfish also aided him in getting a job and finishing high school. "Without Starfish, I know I would be in juvie [juvenile detention]. I had no money, no transportation, and would have never made it to my court dates. If you don't show for court, they issue a warrant for your arrest." Grant continues, "I'm proud that I got my first job and worked hard to pay off all \$867.00 of my fines and court fees. Starfish pushed me to do better in school and now I have big dreams, and I have the confidence to pursue them, they've helped me in every way possible and I'm grateful."

### Grant's Goals

- Get a Job
- Finish High School
- Settle Legal Issues
  - Complete Probation
  - Pay Court Fees/Fine
  - Expunge Record
- Start Power Washing Business to Pay for College
- Start College September of 2016
