CLARITY AND TRANSPARENCY

As our discovery process is progressing, there are new developments, and new thoughts coming to bear. As with any large organization though, there are quite a few moving parts between the different ministries and discovery teams!

In the upcoming weeks we will begin featuring in the *Journey Pages*, different segments from those who are Leading the charge. These may include updates about the process, statements of purpose, interesting parts from St. John's history, or instructions on how you may help us!

This is all comes from a desire for *Clarity and Transparency* within this process, for the discovery process is truly aimed at discovering who we are at St. John's, this wonderful place is *all of us!*

Thank you!
Jacob Carroll

THE DISCOVERY PROCESS BEGINS...

...As we begin the search for a new rector and begin to discern the future for St. John's we need to take time to understand where we have been and who we are as a church right now. Whether you can contribute a lot of time or a little we want to include information from as many as possible.

Have you been a part of St. John's for many years? We need you to remember how things were, and your perspective on things today.

Have you come to St. John's just recently, or within the last few years? We need to know why you came and what your first impressions were.

Are you leading or participating in a special ministry? We need you to help us articulate what you feel is important.

Are you in school, or do you know a student? You know how kids think and feel and you have some opinions we need to hear.

Have you been disappointed or upset by something here at church and you want to see a change? Your input will be important in helping St. John's to be a place where the Holy Spirit is at work in the hearts and lives of all who come through our doors.

We will need to trust each other and speak honestly and lovingly to find the answers. Whatever your commitment, would you pray for these things?

- deep listening to each other
- discernment of how God is working and the commitment to follow that
- forgiveness of past hurts
- courage to share what is on our hearts
- recognition of our gifts and willingness to use them to help
- time in busy schedules and family responsibilities to give to this effort
- The person God has for us to lead St. John's as our next rector
